

Love the Lord your God with all your heart, soul, mind, and strength,  
and love your neighbor as yourself. ~Luke 10:27

## HEART

### A Healing Center

We feel called to aid in the physical, mental, emotional, and spiritual healing of our community that will eventually lead to the development of a healing center. This is represented by a beating heart.

## SOUL

### A Dynamic Church

We are dedicated to building a dynamic and authentic church community committed to teaching, preaching, and living out God's Word in order to equip workers to send out in His Name. This is represented by the Communion Table.

## MIND

### A School

We are dedicated to the spiritual growth of both the adults and youth of our community including the development of a school to equip our youth with the spiritual knowledge and tools they need to live a life for Jesus Christ. This is represented by an open book.

## STRENGTH

### A Community Center

We are further dedicated to enhancing the quality of life in the local community of Hope Mills and surrounding areas through our example, service, and biblically based programs, which will eventually lead to the building of a community center to serve the community's needs through Jesus Christ. This is represented by two clasped hands.
